QUESTION:

Last month you hinted at a major announcement. Have you made it yet because I do not see it on your website?

ANSWER:

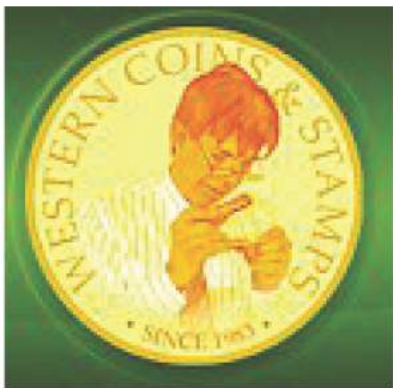

As I mentioned last month our Sears store at Metrotown is now closed. I am now working at the Richmond store Monday through Saturday.

Our major announcement is that our Richmond store is moving to a new location where we will have a much larger store. We are moving only three blocks down to 6960 No. 3 Rd. That is at Granville and No. 3 Rd., and we have parking in the back. Nice and close to where we were and a much larger store.

Our retail space will be approximately four times what we have now. We will be moving the last week in January and hopefully not be closed any days at all.

Our phone number and email will be the same and you can contact us to make sure which store we are in.

We will be having a **Grand Opening on Saturday February 10, 2018** to show off the new store. There will be refreshments and prizes drawn. Hope to see you there.
